Ordering Information: When ordering, provide SFT Quote Number and part number. Indicate the process which is to be performed on the parts along with any relevant information such as quantity of parts, specification of process, and any other details that are pertinent to producing the desired finish. Ordering details are posted at www.SurfaceFinishTech.com/order.

Quotation Disclaimer: We honor all quotes in good faith for up to 6 months. For all prices and products, Surface Finish Technologies, Inc. (SFT) reserves the right to make adjustments due to changing market conditions, manufacturer price changes, errors in communication, and other extenuating circumstances. All quotations are assuming payments of COD or Net 30 billing. Any payment greater than 30 days may incur additional charges.

Limitation of Liability: SFT will not be liable for lost profits, punitive damages, loss of business, even if advised of the possibility of such damages prior to processing. Customer agrees that SFT is not responsible or liable for any amount of damages above the dollar amount paid by the customer to SFT for services rendered on the part(s).
